the Medicare Medicaid Coordinated Plan

Duals Program Verification

There are three ways to verify if a member is on IMPlus or the MMCP:

1. **Ask the member.** The member will have an identification card issued by the Health Plan.
2. **Claims** submitted to Medicaid will be denied.
3. **Idaho Medicaid Provider Portal** will indicate the program and health plan the Dual member is enrolled with.

For detailed instructions on how to access and verify eligibility through Idaho Medicaid's Provider Portal, go to:

<https://www.idmedicaid.com/Provider%20Guide/Provider%20Handbook.aspx>

There are a few triggers that will alert you that a member you serve is a Dual enrolled in one of these programs.

Authorizations

1. If the participant has authorizations on file with Idaho Medicaid, you will receive a Notice of Decision (NOD) terminating all prospective authorizations. Authorizations related to carved out services such as Dental, Developmental Disability and Non-Emergency Medical Transportation will remain authorized with Idaho Medicaid.
2. The Health Plan will issue a NOD with the new authorization information.
3. Authorization requests and questions will be managed by the Health Plan.

Member Documents

1. The member will receive a new identification card from the health plan that is specific to the Duals program.
2. The member will receive a welcome packet containing benefit information

Once a member is enrolled with either Health Plan, their Health Plan becomes the first point of contact for all questions or issues for both the member and the provider.

CONTRACTING

All Aged and Disabled, Behavioral Health, and Skilled Nursing Facility providers that serve Dual Eligible Beneficiaries enrolled in one of these programs are required to contract with the Duals Health Plans to submit claims and receive payment for services rendered.

If you are not contracted with the Health Plans at the time a member enrolls into one of the Duals programs, the Health Plans are required to pay you as an out-of-network provider for ninety (90) days. During that time, they will work with you to get your contract in place.
